Need help?

Click this icon to see the contact details of APyro.

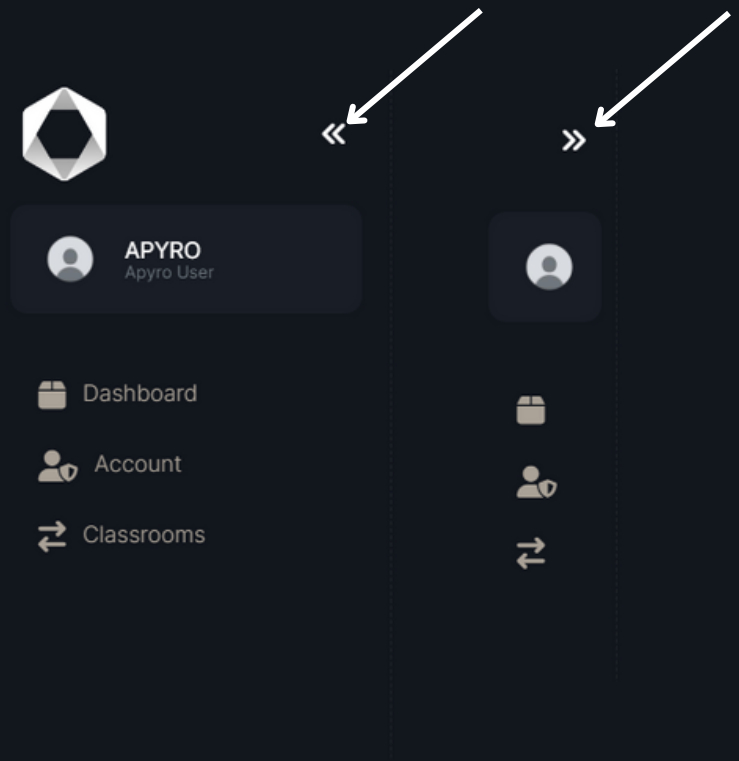

You will see a pop up containing the contact information of apyro.

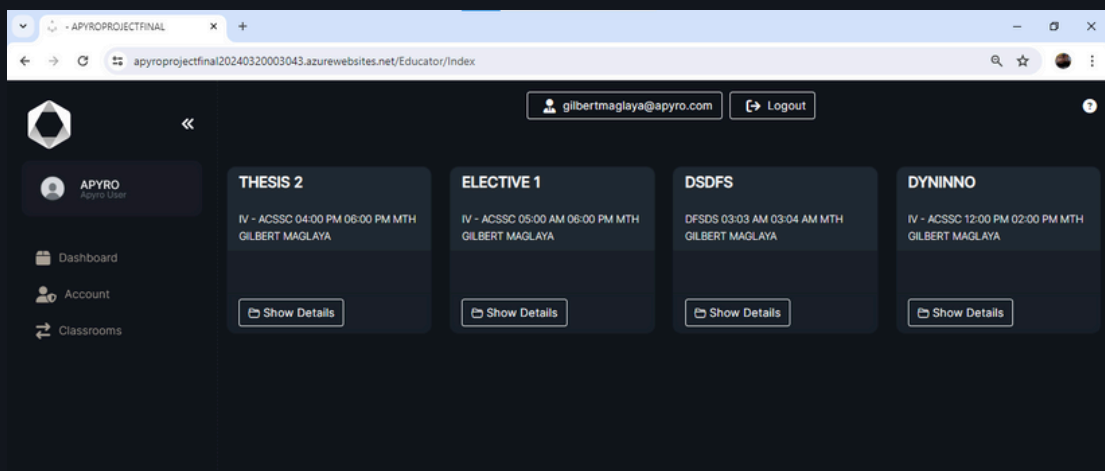

Sidebar

The sidebar contains different links to various parts of the site, including Dashboard, Account and Classroom. You can minimize and maximize it by clicking the button indicated below.

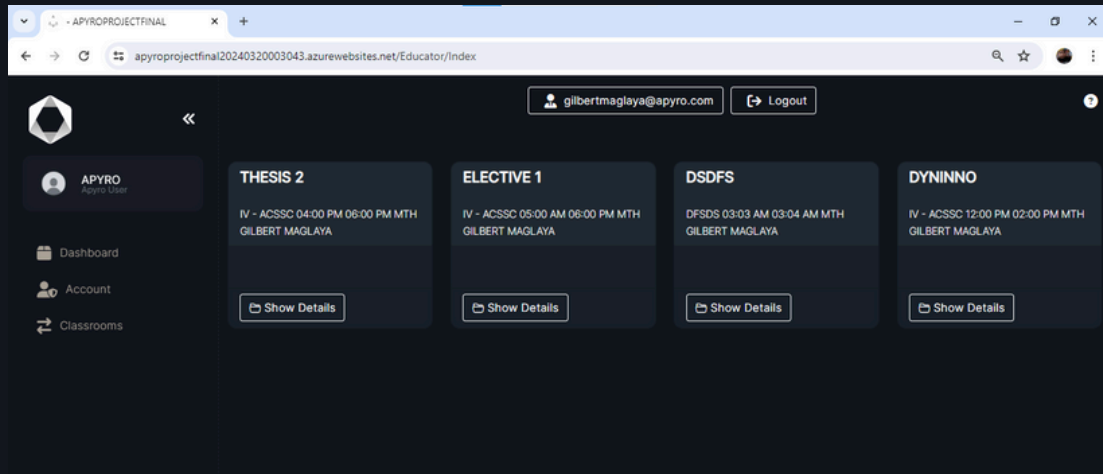

Dashboard

In the dashboard you will see the classrooms that you were assigned.

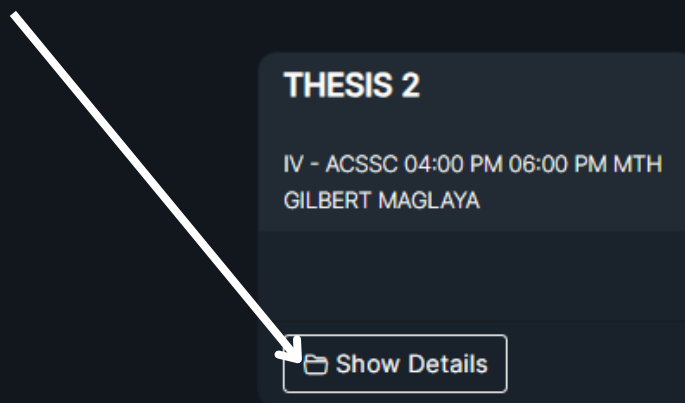

Dashboard

In the dashboard you will see the classrooms that you were assigned.

Click the Show Details button to view the classroom

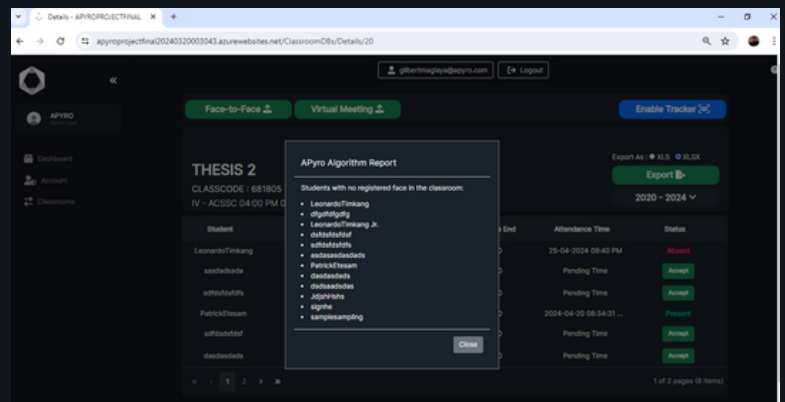

Class

Inside the class you will see a loading classroom message. Wait for it to be done because it will prepare our algorithm for the face detection.

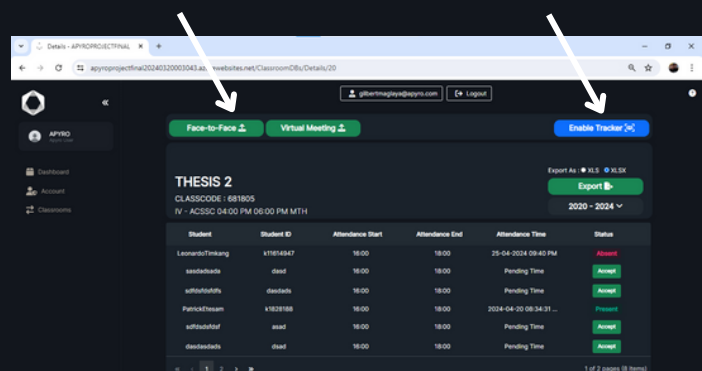

After the loading finished our system will now give you a report of students who are not yet registered their face.

In the class you will see a table consist of enrolled students in the classroom and here you will see their Names, ID, Attendance start, Attendance end, attendance time and status.

At the top you will see a 3 buttons which is Face-to-Face upload button, Virtual Meeting Upload and Enable Tracker. Click on the Face-to-Face or Virtual meeting button for the recording of attendance.

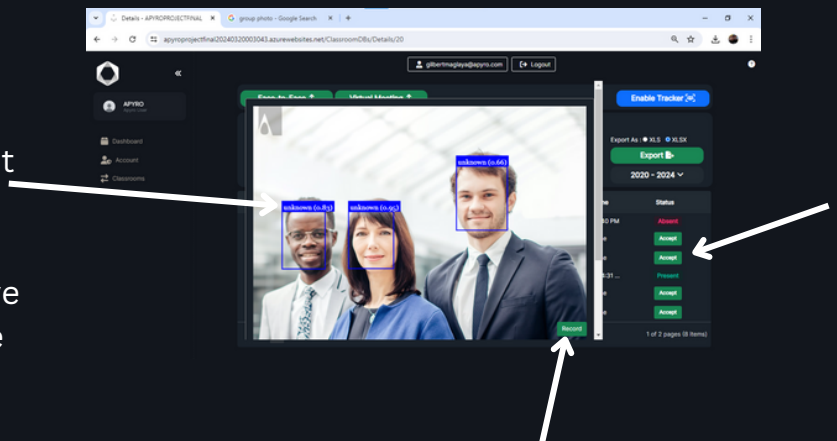

Attendance

After clicking the upload buttons you need to collect in your personal computer the attendance picture that you have taken.

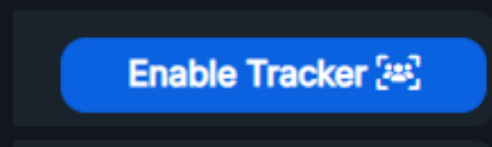

After upload a picture our system will detect the faces in the picture and they will be marked present in the table. All those faces that are not registered their face? in our application will be labeled unknown by the algorithm. Click record to save the attendance then the attendance status now of the students will be updated.

Tracker & Export Attendance

While in the class you can turn on the Enable tracker to monitor if the students is really in the class.

To export the attendance choose a file type such as XLS or XLSX then click the export button and the attendance will be downloaded into your computer.

Account

Clicking on the "Account" link will redirect you to a page where you can see the image displayed below. Here, you'll have the option to update your credentials, including your password.

You can manage your email here.

The screenshot shows a sidebar on the left with links: Profile, Email (highlighted in blue), Password, Two-factor authentication, and Personal data. The main content area is titled 'Manage Email'. It contains a text input field with the email 'ckurt5316@gmail.com', a link 'Send verification email', another text input field with the same email, and a blue button labeled 'Change email'.

You can change your password here

The screenshot shows the same sidebar as the previous image. The main content area is titled 'Change password'. It contains three stacked text input fields for password entry and a blue button at the bottom labeled 'Update password'.

You can setup and reset authenticator app here.

The screenshot shows the same sidebar. The main content area is titled 'Two-factor authentication (2FA) Authenticator app'. It contains two blue buttons: 'Set up authenticator app' and 'Reset authenticator app'.

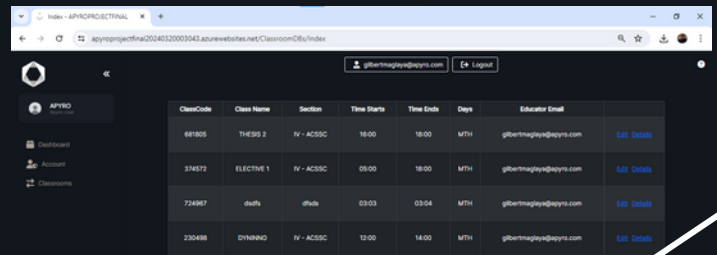

You download your personal data here.

The screenshot shows the same sidebar. The main content area is titled 'Personal Data'. It contains a paragraph: 'Your account contains personal data that you have given us. This page allows you to download or delete that data.' Below this is a warning: 'Deleting this data will permanently remove your account, and this cannot be recovered.' At the bottom are two buttons: a blue 'Download' button and a red 'Delete' button.

If you click the delete button your account will be deleted.

Classroom

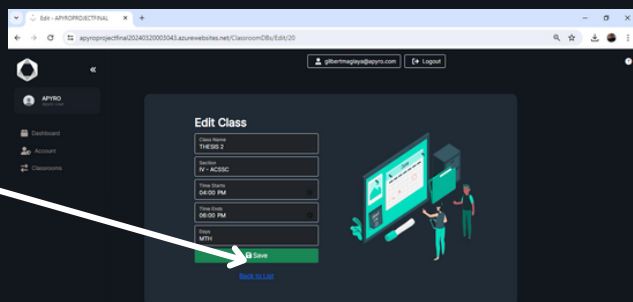

Here you can see a table consist of classrooms the is assign to you. Here you can also view the classroom by clicking the details in the last column and then you can edit the classroom by click the edit button in the last column also.
