## Dashboard

In the dashboard you will see the classrooms that you were assigned.

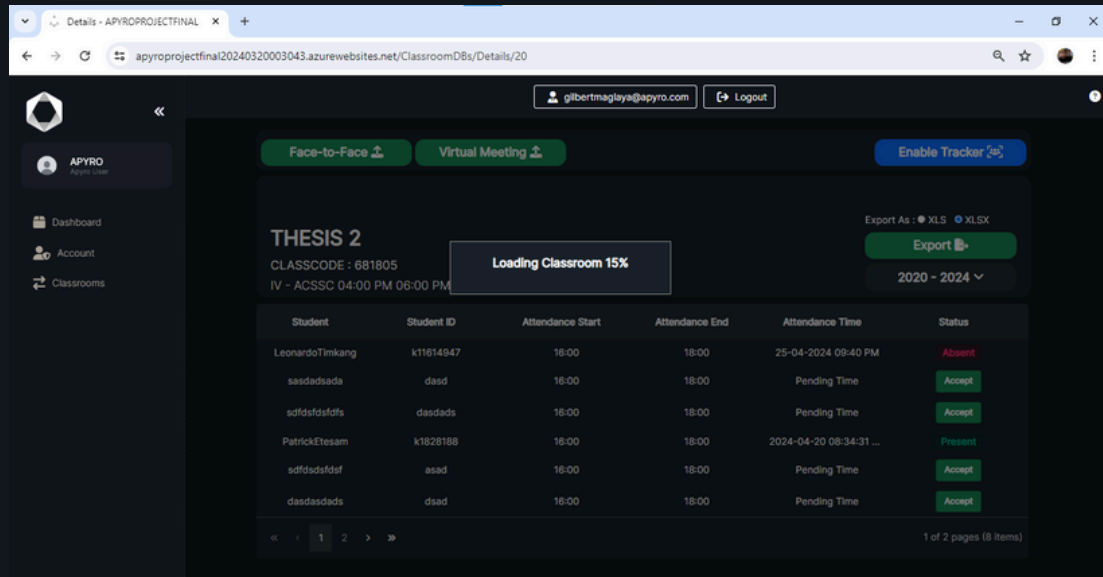

Click the Show Details button to view the classroom

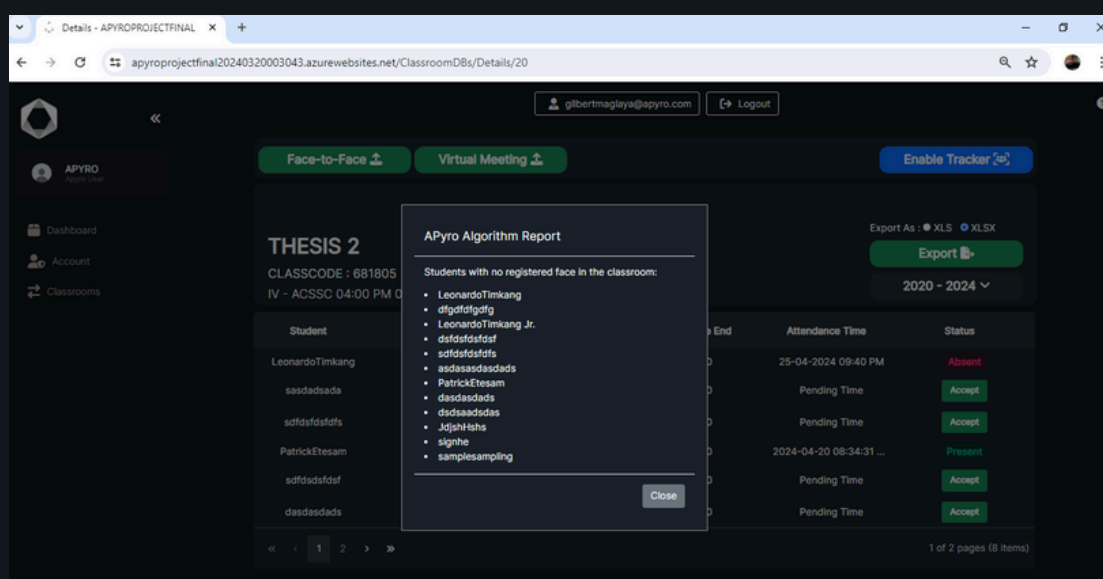

## Class

Inside the class you will see a loading classroom message. Wait for it to be done because it will prepare our algorithm for the face detection.

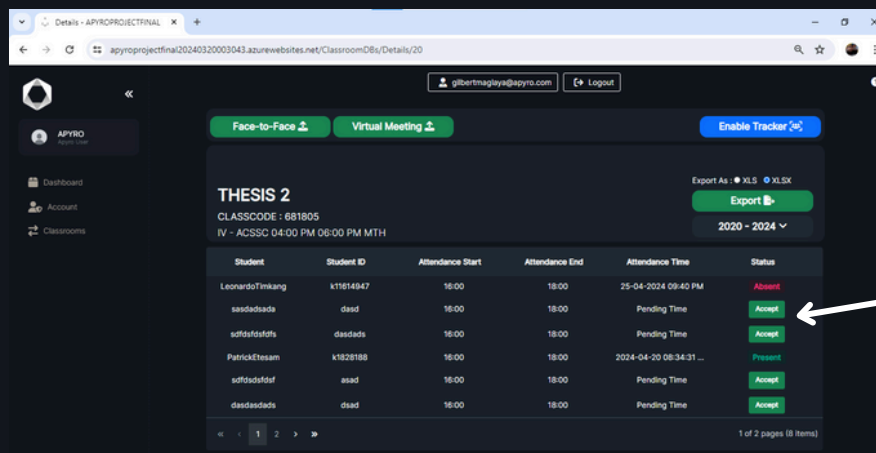

After the loading finished our system will now give you a report of students who are not yet registered their face.

## Class

In the class you will see a table consist of enrolled students in the classroom and here you will see their Names, ID, Attendance start, Attendance end, attendance time and status.

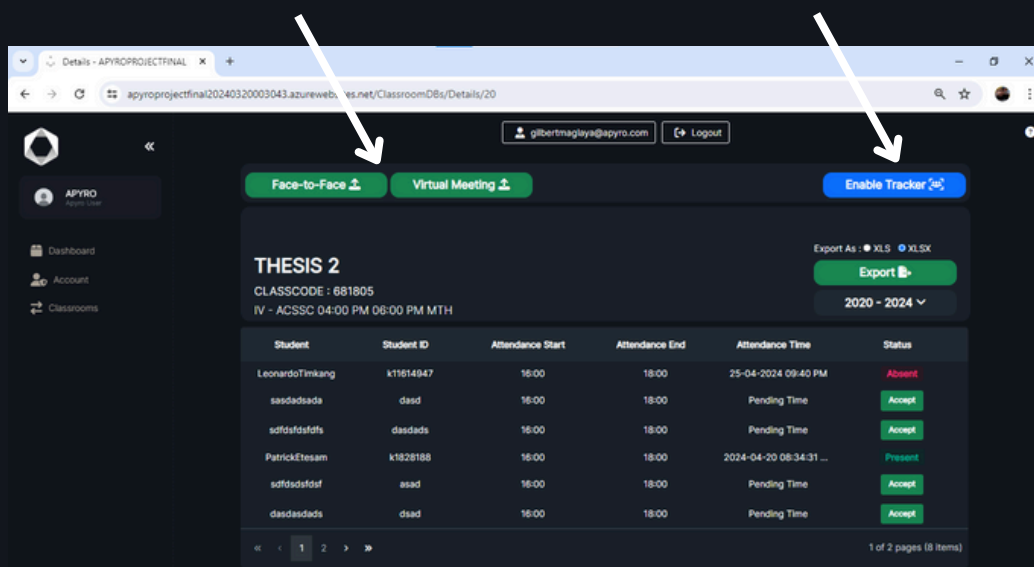

The screenshot shows the APYRO Classroom interface for a class named 'THESIS 2' with CLASSCODE: 681805. The interface includes buttons for 'Face-to-Face', 'Virtual Meeting', and 'Enable Tracker'. Below these is a table of student attendance records. A white arrow points to the 'Accept' button in the 'Status' column for the second student.
